Allied Pixel Adds Fourth Edit Suite

MEDIA, PA (December 2017) – Allied Pixel has added a fourth edit suite to its post production facility in response to increased client demand. Allied Pixel is a high volume production house, typically producing 3-4 new videos each week.

“Our three edit suites have been running at capacity,” said Allied Pixel president Bill Haley. “Now with four, our bandwidth is substantially greater. Our clients will enjoy even quicker turnaround times on projects.”
